Lyndel Kennedy, committee member, Friday group leader, author, website owner (www.hiddendiffability.com) and her amazing husband Brett, with help from Emma, Sally and various contributors on the committee, have got this great looking website up and running. We are continually adding content. Thanks so much Brett for all you have done and continue to do for ASSN!

We also acknowledge and thank our previous webmaster, Daniel for all his hard work over the many years he has maintained our old website.
