

For families following a gluten free diet, this may be of interest:

Sunnybrook health food store (and online shop) at 553A North Rd, Ormond, had Hot Cross Buns for Easter. It also carried excellent Christmas Puddings last Christmas – which, along with brandy sauce using Nuttelex, went down a treat with our extended family!

It even stocks different flavours of dairy free ice confection which does a great stand-in for icecream. Sunnybrook has the best range of GF/CF goodies I've seen – pies, cakes, pizza bases (not brill but ok), pastry, pasta, cake and bread mixes etc etc. Not cheap, but good for a treat!
