

# Creative **M**oves

Moving from the inside out  
for youth with **Aspergers**

## **Mondays**

Class 1: 4:00 - 6:00 12yrs to 14yrs

Class 2: 6:30 - 8:30 15yrs to 17yrs

Creative **M**oves uses specific life/art processes and provides the potential to explore:

- ~ Self-awareness and self-image
- ~ Personal communication skills and relationships with peers
- ~ Creative ways to deal with life challenges

The Creative Moves program is open to youths experiencing mild Autism or Aspergers

Creative Moves promotes a new and exciting art form and provides special needs teenagers with an opportunity to be part of an innovative movement-based expressive arts group!

## **2011 Term Dates:**
